Wednesday

Growly Greeters – Grande Park, Grande Avenue Springfield Lakes

Puppy High School – Grande Park, Grande Avenue Springfield Lakes

Thursday

Beginner Obedience – Pebbles Park, Ripley

Intermediate and Advanced Obedience – Pebbles Park, Ripley

Beginner Obedience: Our Beginner Obedience classes are perfect for any dog or puppy, just starting out. We cover all basic obedience skills to create the perfect dog that you can take with you anywhere.

Intermediate Obedience: In our Intermediate classes we refine and improve on all the skills that we cover in our beginner classes, while working towards off leash obedience. (must have graduated from beginner obedience class to participate)

Advanced – Off leash obedience: These classes teach your dog to listen in all situations, around all distractions, while off leash. This class will make your dog bomb proof! (must have graduated from intermediate obedience class to participate)

Puppy High School: This class is for Puppies aged 16 weeks to 12 months who still need to learn the obedience basics, or just want to improve on what they already know. It is a very fun, interactive class to keep all of the puppies and humans engaged. Each class includes 10 minutes of polite puppy socialisation.

Growly Greeters (Reactive dog class): In a controlled environment with a small group, we work with the dogs individually and together to teach them how to relax and behave around other dogs, by understanding and using canine psychology.

Tricks: In our tricks classes we will teach our dogs lots of fun new skills, with the option of getting your trick titles! It is a very fun class that also teaches our dogs to be engaged and focused on us around distractions, and to strengthen our bond together. Not only is it very enjoyable for both dogs and owners, but it is useful too! It is a fantastic class for children and adults alike to work with their dogs.

Assistance and Therapy dog skills: In our assistance and therapy dog skills classes we teach you how to train your dog the specific tasks required to pass their public access test or therapy dog test to become a certified assistance or therapy dog. All dogs and owners are welcome, and please let us know if you have any specific requirements that need to be considered.

Pack Walks: Our pack walks are a relaxed session and a great time for owners to socialise, ask any questions that they have and practice their dogs walking manners around different distractions. Our pack walks do not run every week, so please check our Facebook page for dates.
